

The Golden Rule Anti-Nuclear Protest Boat: 1958 to Present

with Helen Jaccard and Chuck DeWitt

The Golden Rule is a Humboldt County sea vessel dedicated to the anti-nuclear protest. Join us to learn about the rich history which began in the Marshall Islands in 1958 and recently included full restoration in Samoa and West Coast voyages.

This class will offer an extensive review of the threats presented by the nuclear industry and discuss possible solutions for organizations and individuals. An optional opportunity to tour the vessel and take a short harbor sail will be by arrangement.

Wed., April 5 - May 10

6-8:30 p.m.

OLLI Members \$75, #27545

Helen Jaccard is the project manager of the Veterans For Peace Golden Rule Project, and a member of Veterans For Peace, Women's International League for Peace and Freedom, the co-chair of the VFP Nuclear Abolition Working Group. She is a crew member of the Golden Rule.

Chuck DeWitt is a long-time Humboldt Bay resident, having served here with the U.S. Post Office for many years. He was one of the first people to learn that the Golden Rule was in Leroy Zerlang's boat yard and was the restoration coordinator for six years. Chuck also gives talks about the Golden Rule for radio, television and newspapers and is responsible for sending out the monthly Status of the Golden Rule Report. He is a member of the Humboldt Bay Chapter of Veterans For Peace and is a veteran of the Vietnam War.

Osher Lifelong Learning Institute (OLLI) is a community of learners age 50 and better.
